SALES • RENTAL • PARTS • SERVICE

*Ring Power is your port authority in Florida.
At dockside, whether you're loading or unloading
freight, we can take you from ship to shore with an
extensive inventory of equipment that can handle
your cargo with ease.*

RING POWER LIFT TRUCKS

Specializing in a diversified line of gas, diesel and electric forklifts, order pickers and pallet jacks for all material handling applications from warehouse to heavy-duty lifting, as well as lift truck attachments, material flow and storage systems.

CAT RENTAL STORE

Daily, weekly and monthly rental of construction and material handling equipment, platform lifts, trucks, air compressors, sweepers, light towers and other types of contractor's equipment.

PHOENIX PRODUCTS™

Design, manufacture and install aboveground fuel storage tanks, genset packaging and enclosures. Petroleum Recycling Services provides scheduled fuel maintenance and testing.

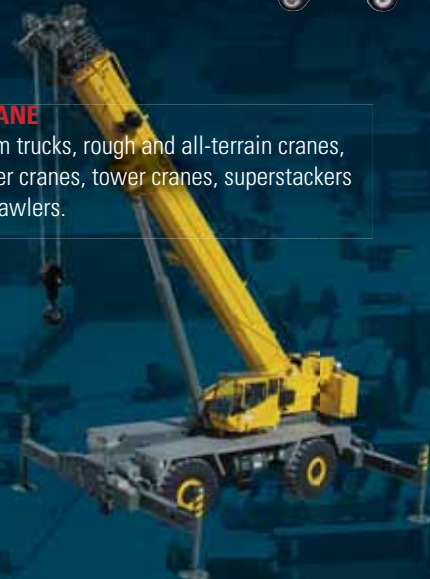

HEAVY EQUIPMENT

New and used machines and equipment for construction, earthmoving, agriculture and other industry-specific tasks.

RING POWER CRANE

New and used boom trucks, rough and all-terrain cranes, truck cranes, crawler cranes, tower cranes, superstackers and lattice boom crawlers.

POWER SYSTEMS

New and used marine, truck and industrial engines, generator sets, air compressors and other power equipment as well as temperature control and ultra-high-pressure water-jetting systems.

HYDRAULIC CYLINDER REPAIR

- Quality Control. Every cylinder goes through a stringent inspection process to ensure the highest quality repair in the industry.
- 1 Year/2000 Hour Warranty.
- Testing. Three position pressure testing at 3,000 PSI simulates the working environment and ensures a leak free repair.
- Large Cylinders. We can handle the big jobs. Our disassembly bench and hone can handle parts up to 35 ft. in length.
- Free Pick-Up and Delivery.

CYLINDER ROD RESURFACING

- A superior alternative to chrome plating
- Fast turnaround
- Extended wear
- Environmentally safe

HYDRAULIC PUMP & MOTOR REPAIR

- 30 years experience
- RexRoth, Sunstrand, Commercial, Denison, Linde, Vickers and more
- 200 hp test bench
- Valves, swivels, hammers, etc.

SALES • RENTAL • PARTS • SERVICE

PREVENTIVE MAINTENANCE

There's never a convenient time for machine repairs, but on-site preventive maintenance comes close. Our OSHA and MSHA qualified technicians will identify problems before they occur to keep your machines up and running for maximum productivity with minimum downtime.

A/C Repairs

Our field service technicians come to your job site to troubleshoot, diagnose, make adjustments and perform repairs on your air-conditioned equipment. Complete system installations are also available.

PAINT SHOP

Ring Power's state-of-the-art paint finishing facilities can help restore and protect the value of your equipment with a reasonably priced, high-quality factory finish. Your equipment—whether it's a bulldozer, truck, tractor, boat, crane, missile carrier or torpedo launcher—will be pressure washed, sandblasted, primed and painted with the utmost care and returned to you quickly, looking almost like the day you bought it.

• SALES • RENTAL • PARTS • SERVICE

Ring Power has been serving the maritime shipping industry for over forty years. We represent the best products from the leading manufacturers in the world. Our knowledgeable, factory-trained technicians are at your service, 24-hours-a-day, seven days-a-week.

FABRICATION SHOP

If you can visualize it, we can make it.

- 250 ton break press
- Shear length up to 10"
- FastCAM/plasma form cutting
- Plate rolling up to 8' x 1/2"
- Pipe roller up to 3"

ON-SITE HYDRAULIC HOSE REPAIR

Call Hydraulics Xpress Mobile Hose Solutions for your next hydraulic hose repair. From removal to installation, our factory trained technicians will get your machine back to work quickly, cutting your downtime in half. Our fully equipped, four-wheel drive trucks are at your service 24-hours-a-day.

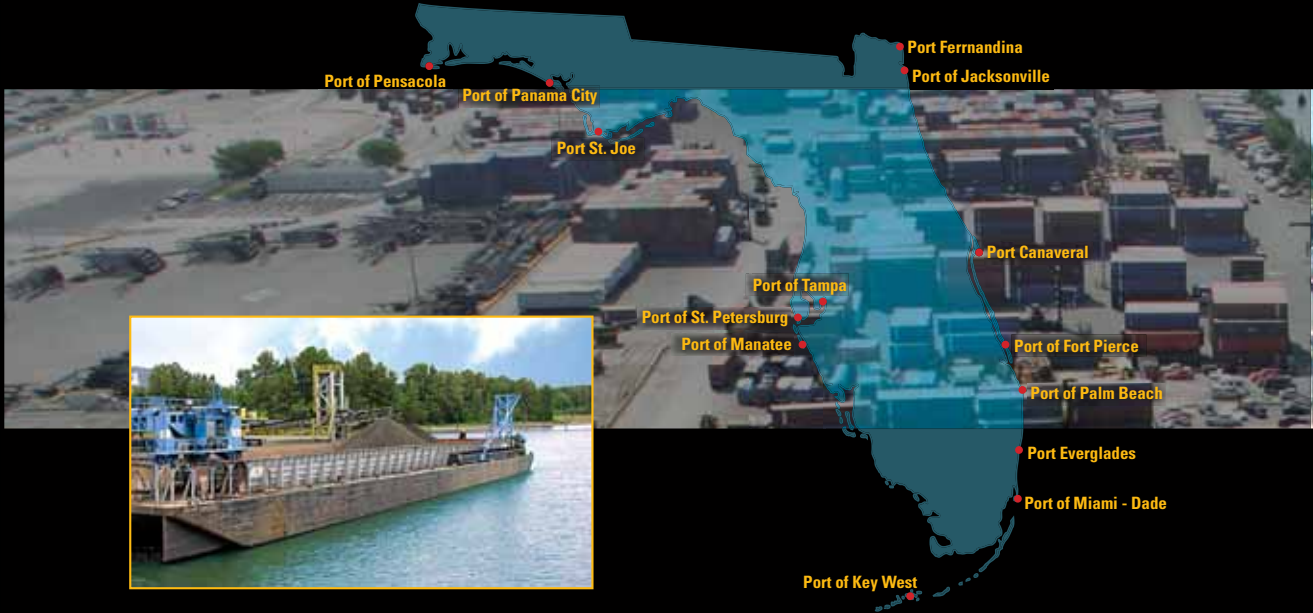

S•O•SSM FLUID ANALYSIS PROGRAM

- Regularly scheduled analysis of oil and fluid samples
- Particle Count, Total Base Number, Antifreeze, Wear Metals, Viscosity, Water/Fuel Dilution
- Coolant Analysis, IR Testing
- Completed within 24 hours of receiving samples
